Enwesa's Cookie policy (English translation)

- <u>What are cookies?</u>

Cookies are small files and devices that are installed in the user's browser in order to upload, retrieve or update data. They allow the responsible of the website know the preferences of users when they browse by the website and customize offered services based in those preferences.

In <u>Enwesa Operaciones. Servicios Nucleares.</u> we use own and third-party cookies that allow us analyses the use and measurement to ensure that our websites work correctly and to improve our services.

The third party cookies that Enwesa use to obtain information of the browse, measuring and analyze web browsing are property of Google Analytics. In the case of Google Analytics, they have access to the data collected by their devices.

- <u>Types of cookies.</u>

Depending on their purpose, cookies can be:

- Technical Cookies: there are necessary for browse. Without them the site would not work properly (cookies of "user entrance" for online shopping, multimedia player session, etc.).
- Customization or configuration Cookies: they allow the site recognize the user's language, the letter size, etc.
- Safety Cookies: they prevent attacks against the website or its users.
- Analytical Cookies: they measure the activity of the user's and prepare statistics of the browse.
- Advertising Cookies: they manage the frequency and content of the advertisements.
- Behavioral advertising cookies: they upload information about users to show them customize advertisements.

- <u>Control the use of cookies</u>

If you want to delete cookies that are already installed in your computer, you can use your browser. You can do it going to the help menu of your browser and there you can find the steps to remove them.
